

DONNYBROOK DISTRICT HIGH SCHOOL

An Independent Public School

PRINCIPAL – James Milne

Dear Parents/Carers,

YEAR 8 HASS

Welcome to the start of Term 2. We continue with the same class structure we had last term. Each group will cover History with a focus on the Ancient to the Modern World (Middle Ages) and Geography with a focus on Landforms and Landscapes and Changing Nations. Students will now swap teachers. It is very important to encourage your child to submit all work by the due date and that it is completed to the best of their ability.

All students are working from the Western Australian Curriculum which is available for you to view online at <http://k10outline.scsa.wa.edu.au>

Landforms and landscapes

The different types of landscapes in Australia how they were formed and the spiritual significance of places.

Changing nations

The causes and consequences of urbanisation and the reasons why people choose to move to other places.

Ancient to the Modern World

Medieval Europe 590ce to 1500ce and the Black Death in Asia, Africa and Europe in the 14th century.

The students from both groups will also work together for one period per week on the Cows Create Careers Project. The school has previously entered this competition and twice won our division.

Please do not hesitate to contact me if you have any questions or comments. I look forward to this year and to working with your child.

Yours sincerely

Neil Robertson
HASS Coordinator
