

DONNYBROOK DISTRICT HIGH SCHOOL SENIOR CAMPUS HOMEWORK AGENDA TERM 3 2017 - WEEKS 6 & 7

Every two weeks teachers communicate to parents the homework required of students for the following two week period. If you have any queries please contact the subject teacher.

We recommend students place homework in their diary and also note pertinent teacher comments in diary. Students also need to keep a record of due dates for assignments.

Please refer to school handbook (page 14) for an overview of the school's homework policy.
