16 May, 2019

Mr Garry Davis is an incredible man who has inspired hundreds of student in his time at Donnybrook District High School. After making the hard decision to retire, it's now time for his next adventure, in the place he loves so very much, Outback Australia. We thank you for all of the support, encouragement and dedication shown to staff, students, parents and the wider Donnybrook Community. Congratulations and enjoy your time travelling around with your lovely wife Allison.

Some stories from the Year 5 and 6 Students:

When Mr Davis told us about the snake in the cave he thought was dead and it hissed at him. – William Broadbent

The memory I have about Mr Davis was that every day last year he was at the bus drop off to greet us. It always made me smile – a nice way to start the day. – Khloe Watson

When Mr Davis always comes to school wearing a new funky top and a big smile. The school will never be as bright and colourful again. – Isabella Broadbent

I loved when Mr Davis looked after our class, when the teacher had to go somewhere. He managed to entertain us and teach at the same time. – Zac Farley

When Mr Davis made a big fuss in a funny way about how the things in the undercover area shed had to be perfectly in the right spots after assembly. – Annabelle Behan

Mr Davis was one of the people who helped me with soapbox, in which my difficulty was reading out loud to people. Thankyou, Mr Davis. – Jackson Hyland-Wood

When Mr Davis and I were speaking together, we had a laugh when I said "I know where you live" we both had a talk after that. – Jade Bailey

I REMEMBER WHEN MR DAVIS CONTINUED THE MUSICAL BUS THAT MR MILNE HAD STARTED WHERE THE PERSON SITTING BESIDE THE DRIVER SANG RANDOM SONGS ON THE WAY TO THE HIGH SCHOOL. -TILLY KRAUT.

Some more stories from the Senior Campus:

On orientation day Mr Davis helped me find people and he put me in a group and those people became my best friends, thank you Mr Davis. - Nikita Crombie

Whenever someone was upset Mr Davis would always try to put a smile on your face. I love that about Mr Davis. - Haylee Khan

GOODBYE
May Life SMILE upon you, Shower you with
its choicest BLESSINGS and keep you HAPPY all the way

Mr Davis made you feel special because he always greeted you personally, asked how your day was going and if there was anything wrong. He made it his goal to make you feel better.
Thanks Mr Davis - Chloe Rogers

I smashed my head on the rods near the swings and he helped me out! I'll always remember his compassion.
Thanks Mr Davis - Raven Spencer Smith

There is heaps of stuff I could say about Mr Davis, but its hard to put into words how special he is and will always be. Have a great retirement Mr Davis. - Shakaya Harte

PRINCIPAL'S REPORT - James Milne

Term 2 is well underway and I'm pleased to report that the students are working productively and tackling their learning with genuine interest and enthusiasm. I hope this continues throughout the remaining seven weeks as it will certainly support the achievement of positive outcomes and pleasing Semester 1 Reports.

This term is shaping up to be busy and exciting. A term calendar accompanies today's newsletter and highlights the many wonderful opportunities being offered to the students of Donnybrook District High School. Please keep an eye on this and make a note of dates and events that are particularly relevant to your family.

As you would be aware I returned from holidays to the news that Garry Davis had decided to call an end to his highly successful career. After 30 years in Public Education, Garry is ready to enjoy the next chapter in his life.

For the past 11 years Garry has fulfilled numerous teaching and leadership roles at Donnybrook District High School and in doing this he clearly demonstrated a genuine passion for improving the lives of our students. He will be dearly missed by our school community and fondly remembered for his honest approach and unwavering CARE he had for students, staff, parents and carers.

On behalf of the school community I wish Garry the very best and thank him for his tireless work and outstanding efforts over a long period of time.

Garry's retirement has triggered some changes that will take place both in the short term and the long term. I have advertised for a Primary Deputy Principal to replace Garry on the Junior Campus and the successful applicant will commence in Semester 2. In the meantime Jeff Brown will return for a couple of days a week and join Oonagh Smith in supporting me over the remainder of Term 2. Renee Reid and I are still working through details on how we will fill the Secondary Deputy Principal position at the Senior Campus. When this is sorted we will let the school community know.

Good Standing

This year every public school is required to add 'Good Standing' to its behavior policy to support addressing physical aggression and intent to harm that is increasingly being displayed in schools throughout WA. This is in line with the Minister's Statement on School Violence and efforts make certain our schools are safe places for learning.

Donnybrook District High School has also linked its 'Good Standing' model to our Positive Behaviour Support (PBS) program to address major and ongoing minor behavior infringements that are not necessarily physical in nature, but interrupt student learning and their wellbeing.

In collaboration with the School Board, Donnybrook District High School has formulated the following statement that will guide our decision making in the unfortunate event that violence is exhibited in our school or student behavior isn't meeting our expectations.

Good Standing supports the school in maintaining a safe and supportive environment for students and staff by adding additional consequences to students who demonstrate physical aggression, major and/or repeated breaches of the school's positive behavioural expectations.

These students will lose their 'Good Standing', for a period determined by the Principal or Associate Principal. For the period of loss of 'Good Standing', the students will be unable to attend extra-curricula activities deemed by the school as inappropriate to attend. These extra activities include but are not limited to: Graduations, Camps, Excursions and PBS Acknowledgements.

In the event that a student loses 'Good Standing' and they are excluded from extra-curricula activities, an alternative program will be put in place for them.

Overall Donnybrook District High School is a safe and encouraging environment, where students are well supported to learn, however like all schools, we are not immune from dealing with incidents. The school has an excellent Managing Student Behaviour policy that supports our school community and this can be viewed on the school's website. Please feel free to email me on james.milne@education.wa.edu.au or call on 97324400 should you want clarification on any matters related to student behavior or 'Good Standing'.

PRINCIPAL'S REPORT - James Milne continued

School Board

All positions on School Board are once again filled which will importantly support our ongoing quest to improve and meet the needs of our school community. My sincere thanks to all Board members for their commitment and genuine desire to make a difference to the schooling of our students. The Board consists of:

James Milne – School
Renee Reid – School
Wendy Mountford – Junior Campus Staff
Jonelle McLoughlin – Secondary Campus Staff
David Watson – Parent (Chair)
Jodi Thomas – Parent (Vice Chair)
Kirrylie Bacci – Parent
Amanda McNab - Parent
Karen Martella – P&C
Leanne Wringe – Shire
Sarah Ryan – Community
Gwendoline Nidd - Community

ASSOCIATE PRINCIPAL'S REPORT - Renee Reid

Farewell Mr Davis

My time knowing Garry (almost a year) is short in comparison to the rest of the community but the impact has been great. Garry is a giving and caring member of our school and our community and is probably one of the most selfless people I have ever met. He always endeavours to give everyone the best of himself and I think it's great that he is going to spend more time looking after his own needs and desires. He very much deserves a well-earned rest (though I can't see him sitting around for too long). I know there will be some travelling and prospecting in the near future and I know that you will all continue to see him around as he gives so much back on a volunteer basis. Thanks for all you have done for Donnybrook DHS, Garry and I wish you all the best.

We Make Wise Choices

As our PBS challenge for the entire term is "*We Make Wise Choices*", we invited Matt Fogarty, the new Sergeant-in-Charge of Donnybrook Police Station, to talk to our students about Wise Choices. Matt has policed all over Western Australia in remote areas such as Broome and Meekatharra and other small towns like Dongara. Matt emphasised our CARE message by reminding us that our choices impact on others so we need to consider this before acting. He also noted that although some things are actually not our choice, we can aspire to make the best of whatever is thrust upon us. He pointed out that we need to make sure we look after ourselves first and foremost so that we can then assist and impact upon others. Thanks, Matt, for giving up your valuable time to make an impression on younger generations.

Science and Engineering challenge

On Tuesday April 9, 32 of our Year 9 and 10 students travelled with eight other local schools to the South West Sports Centre to participate in the South West Science and Engineering Challenge. Teams of four students from Donnybrook rotated around the different STEM activities displaying their engineering, problem solving and teamwork skills to try and master the various activities. Each school were allocated points for each activity and the points were tallied at the conclusion of the day. We placed 6th with a very competitive total, only two points behind Cape Naturaliste College. A great day was had by all. Thanks to Mr Duncan for the organisation and smooth running of this excursion.

Interschool athletics

A great day was had by all of our 32 athletes from Yr 7 -10 at Hay Park Athletics Stadium for the Annual SWHS Athletics Carnival on Wednesday May 8. Please see Denise's report in this newsletter and thanks to all students for their exemplary behaviour and to Denise for his unwavering enthusiasm.

Beau McBeath was announced 2019 Yr 7 SWHS Champion Athlete Division B with 66 points which is a fantastic achievement! Well done, Beau!

ASSOCIATE PRINCIPAL'S REPORT - Renee Reid continued

2019 Bunbury PCYC Razzamatuzz

We were very fortunate recently to have received some fully-funded tickets to the stage show Razzamatuzz. With the help of very generous local donors from the South West region, the Bunbury PCYC hosted this free variety show and offered tickets to local special needs and disadvantaged people of the South West. We only had a very quick turn-around in which to distribute the tickets so thanks to Mrs Duncan who spoke to all year groups, explaining the evening and why the community businesses donated tickets. Students who expressed an interest were then approached and issued enough tickets so that they could attend with their entire family.

"What a great show. All the acts were so good - funny and really entertaining. The magician was unbelievable and my brother got to get up on stage which was hilarious. Thank you all the local businesses who donated tickets to our school. It was great!"

Scholarship Winner

Congratulations to our English teacher, Dani Hewton, for applying for and winning a scholarship to attend the State conference for English Teachers of Western Australia. This fantastic experience will give Mrs Hewton the opportunity to network with other English teachers, meet authors and learn new skills. Congratulations!

WACE changes – Year 10s

As your child in Year 10 will soon be commencing course selection for Year 11 in 2020, I am writing to let you know that the Minister for Education and Training has announced changes to the Western Australian Certificate of Education (WACE).

There will be an additional pathway for students starting Year 11 in 2020 to achieve the WACE - students can complete five Year 12 General courses, or a combination of General and ATAR courses, if they choose not to do four or more Year 12 ATAR courses or a VET certificate II or higher as part of their program of study.

The new option provides greater flexibility and choice and is good preparation for students wanting to pursue a range of post-school options, including university entry, or training in a specialist area.

Transition to Year 11

Bunbury SHS and Manea Senior College, will be out to visit us in on Tuesday 28th May (Week 5) to talk to our Year 9 and 10 students about Year 11/12 options available to them in 2019 and 2020. Students have also been working with Mrs Duncan to put in Expressions of Interest at Manea and seeing what is available to them beyond Year 10. Most students should have some idea about what they want to do and have started a process of applying. We are here to help any student who hasn't yet decided or entered in to any enrolment process, so call in if you need some assistance with your child's future choices.

OLNA results

Round One results from the online Literacy and Numeracy testing were sent home to parents/carers via students last week. Students were also given a copy. For those students who haven't yet passed one or more disciplines, please be aware that you still have five more attempts over the course of the next 2.5 years. A lot changes in your learning over this time. As a school, we will further support students by offering intensive support for the first five weeks of Term 3 to those students who did not yet attain a 3. Please feel free to contact the school to make an appointment to discuss these results further with Mrs Hewton, Mr Fyfe or Mrs Reid.

Community Involvement

We are always keen to further our community involvement and we have been talking to Tuia Lodge about music performances, SRC visits and writing projects with residents telling their stories to students who then turn them into a published article. Year 10 students and Business Certificate students are also seeking Work Experience at numerous places in town and we thank local businesses for their support. We are also happy to have parent and community support in our classrooms. If you have a current Working With Children card and a desire to help out, contact us to let us know!

If you have any other ideas on how you can support us and we can support you, we are keen to hear them.

EV Challenge

This STEM event is all about education and having fun whilst learning. This year instead of one event, we had the opportunity to enter into two. This gives students an opportunity to iron out problems before the big event later in the year. The first event was held last weekend and the students managed to win the 3rd place trophy!! Well done to the students, the parents and Mr Strother.

DEPUTY PRINCIPAL'S REPORT - Garry Davis

I retire as of Friday May 10. This is the end of my 11 ½ year journey at Donnybrook District High School. Previous to this I was at Mount Magnet District High School for 18 years.

In both settings I have been very much a part of the school and the community. It is this connection with community that I have really enjoyed. The country life in Australia is just the best. The freedom that students have in the Bush is a priceless asset. Seeing many of the Donnybrook students head off to their farms, as well as seeing so many town students staying out on their mate's farms shows the rich quality of life students have in the Donnybrook community.

My Donnybrook District High School career has mostly been at the Senior Campus. I have had the privilege of working with so many wonderful students over this time. It has been an incredible pleasure seeing the majority of our students branch out into the wider world and become successful, positive citizens of our many other communities. Whether students became qualified trades people, astrophysicists, farmers, psychologists, mothers and fathers they all had the common link of being students who had their grounding at our great school. To know that I, as well as other staff members, have played a part in guiding these successful citizens is heart-warming. It is my close links with so many as a Deputy that have endeared them to me. I pay special mention to all those students past and present who are the golden quiet achievers who always give their best, and always present themselves as highly respectful, always achieving to their potential and making teachers and administrators so proud of them. There have been hundreds in my time who I can proudly say are the best Australian citizens you could ever wish for!

I graduated to the Junior Campus three years ago when I relieved Mr Brown when he went on Long Service Leave. I loved this time and from then on finished up at the Junior Campus more and more. I was eventually transferred up the hill as the Primary Deputy, I got to know the 500 plus students across both sites. What a privilege. So now my guidance and support went towards many new students, as well as to the valued staff at the Junior Campus. Again I saw so many wonderful students and teachers thrive in this beautiful environment. A visit from a St John Ambulance volunteer who was from New South Wales, I saw him looking around the site, saying that the Junior Campus was far and away the best school setting he has seen in his lifetime.

In the last couple of years, I have been 60% at the Junior Campus and 40% at the Senior Campus. This ability to link with all students and staff was certainly enjoyable. I was able to connect with so many parents and carers over this time. I want to thank them all for supporting me in my role and as a collaborative team we were able to get the best outcomes for the majority of students. This invaluable support from parents and carers is a key to the success of any school. I thank all of you for your support and guidance. All staff on both campuses have been a shining light for me. They have all given 100% support to myself across the range of my role as a Deputy. I thank every one of them, past and present, from cleaners, gardeners, the golden teachers' aides, all teachers Primary and Secondary as well as my administration colleagues for their wonderful support.

I have been asked by many students in particular why I am retiring. The answer is that there is a realisation when your time is up. I wanted to leave happy in every element of support I have given Donnybrook District High. The time is now! I leave with a tear in my eye. But the outback, gold prospecting, photographing birds, and enjoying the fresh air calls even louder. Farewell. Thank you All!

Junior Campus News

Kindy

The Kindy children made a memorable present this year for their Mums:

A coloured plaster cast handprint as a special keepsake.

Abbie Wood and Kobbie Sunderland.

Pre-Primary 1

Pre Primary 1 mother's and grandmother's enjoyed dancing and a massage followed by afternoon tea last Friday.

Anzac Day

As part of our learning about ANZAC Day we have looked at artefacts from the WW1 Memorial Box. We learnt about what the soldiers, sailors and nurses wore, ate out of and also looked at magazines and medals. Samuel found the trench coat which is made from wool and the helmet to be very heavy. Year 3

Hannah tried on a sailor's.

Alexis tried on a nurse's cape.

Sadie looked at badges, medals and a bullet casing.

Samuel tried on a trench coat and helmet.

Green Team

We now have 35 willing helpers from Years 2-6 rostered on sorting recycling and organic materials three times a week which is fabulous!

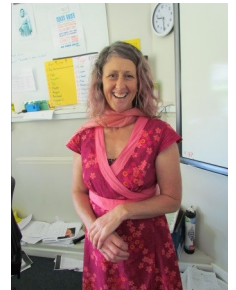

This term we are adding to our program by sorting out soft plastics. If it's soft plastic and CAN be scrunched into a ball, it can be placed in a Recycle drop off bin. Items such as chip and cracker packets (silver lined) chocolate, snack bar wrappers and snap lock bags / zip lock bags can be collected for soft plastics. We would also encourage you to collect these at home. For more information please go to the following link.

<https://www.redcycle.net.au/>

Pink Stump Day

On Wednesday, April 10 the Senior Campus Student Representative Council (SRC) organised a Pink Stumps Day. Pink Stumps Day is to raise money for the McGrath Foundation to provide nursing services for people who have suffered breast cancer. The students engaged in four activities on Wednesday which included two adapted cricket games, an information session about what the McGrath Foundation does and a session with our awesome staff member Brenda Hogarth, who shared her experiences with the students. The day was a sea of pink and we raised a total of \$115.00. A big thanks to all the SRC and Brenda for coming in to speak to our students! We really appreciate it.

Far Left: Mrs Reid Left: Mikayla Symes Middle: Kate Koroivawai
Right: Donna Cahill, Brodie Bacci & Roy Slater Far Right: Mrs McKee

Year 7/8 Literacy

Year 7/8 Literacy class have been learning how to juggle, their goal is to be able to juggle 3 balls continuously by the end of the term. juggling is good for the brain and has many benefits including:

Left: Zane Freeman & Mitchell Mulrone
Right: Travis Caroleo & Hayden Symes

Increasing focus & concentration.
Juggling is the ultimate stress relief.
It's an exercise that doesn't 'feel' like exercise.
You can juggle where you are, no travel required!
Juggling maintains and increases range of motion in the arms and shoulders.
It is one of the best ways to improve coordination.
Juggling is beneficial for all age groups and body types.
Juggling makes exercising with family and friends easy.

Mother's Day Concert Band Performance

On Sunday May 12, the Donnybrook District High School Concert Band performed as part of a concert for the Donnybrook Theatre Troops Mother's Day event, at their Theatre in Grist Road. The Concert was a great success and our performance was very much appreciated by all who were there.

A big thanks to all the parents and band members who gave up part of their Mother's Day celebrations to be a part of this performance. An extra big thank you to Jake, Sevina and Callum (last year's year 10's) and Mrs Luke for coming along to join in our ensemble for the day.

Senior Campus News

SWHS Interschool Athletics Carnival

Over 15 Secondary schools from the South West region converged on Hay Park Athletics Stadium for the Annual SWHS Athletics Carnival on Wednesday May 8 and our team of 32 athletes from Yr 7 -10 once again competed with great enthusiasm and endeavour.

A great result for our school when Yr 7 Beau McBeath was announced 2019 Yr 7 SWHS Champion Athlete with 66 points. Beau's enthusiasm and commitment to doing his best in all seven events he competed in was exemplary. Congratulations Beau!

Congratulations to our entire team for a great effort across all events, and although we have congratulated Beau, a very special mention to Beau once again and his fellow team mates Yr 7s Melanie Hillis and Sally Kettle; Yr 8s Eve Oliver and Neve Compapiano; and Yr 10 Lilly Dickson for their determination and energy in the numerous events they competed in which were consistently back to back across the entire day. Great work.

Junior Campus Library News

The Junior Campus children are one of the most avid groups of library users I have had the pleasure of dealing with in my years of working in school and public libraries, I love seeing them chill out with their own books, or sharing them with their classmates. Word of mouth gets more books out the door than all the advertising I can do!

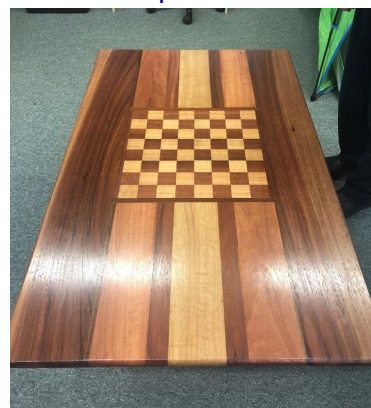

New addition to the library

As you know, every year the P&C run a Book Fair here at the library and very kindly donate all proceeds so the library can purchase new resources all year. In 2017 we had a very successful year, so much so that we were able to save some for a very special reason, and this year we got around to spending it. The Bridgetown Grumpy Old Men's Shed have a wide variety of talents and skills so we put those to work and the result is spectacular!

A lot of the children who visit the library at lunchtime love to play chess, so we were very happy to purchase this wonderful piece from The Shed.

It is a truly beautiful piece of art. Grumpy Old Man Mike delivered it on Tuesday April 2, and was happy that it was going to be used for years to come, in a primary school setting.

The table made of carefully selected and graded jarrah, with black butt panels for contrast, with the playing squares orientated according to official guidelines (white square top left). Mike was kind enough to make it to my specifications, so the chairs we purchased recently fit nicely underneath, with room to spare. I'll purchase some wooden boxes to go with it for storing chess pieces in. Thank you to all members of the school community who support the Book Fair, your children (and probably grandchildren!) will be using the table for many years to come.

Mrs Kay

Jump Rope for Heart

Jump Rope for Heart kicks off this term!

Jump Rope for Heart is a fantastic physical activity and fundraising program that has been run by the Heart Foundation for over 35 years. It's a great way for your child to keep fit and learn new skills, but it also helps raise funds for vital heart research and education programs.

Since Jump Rope for Heart started in 1983, schools like ours have raised more than \$75 million for the Heart Foundation's lifesaving work.

It's important you register your child online, so they can receive the full benefits of the program and participate in online fundraising, simply follow the link below to get started.

www.jumprope.org.au/parents

Students will be skipping *throughout the term in PE lessons, recess and lunch times*, during this time you can share their online fundraising page with family and friends to help raise money for this great cause.

We will hold our school Jump Off Day on *Friday 28th of June, Week 9*. This will mark the end of the program and is a chance for everyone to come together to skip and show off their newly learned skills.

Jeanette Hutchison

Thank you for supporting the Jump Rope for Heart program!

Heart Foundation

Jump Rope for Heart

Need a Tutor?

I graduated Year 12 ATAR last year, achieving a Certificate of Outstanding Achievement. I completed **Chemistry** top of the class and scored highly in **Methods, Literature, Physics, Human Biology, and Geography**.

I have helped many students before and I know how hard high school can be. I'm happy work one-on-one with students at any level. Feel free to contact me if you're interested, times are flexible.

Looking forward to hearing from you.

General News

DDHS P&C

New Faces to the P&C

We would like to welcome and thank all the new volunteers that have stepped up to participate in this year's DDHS P&C Association. With the new year we have many bright new faces and we would love to see some more. We truly appreciate hearing everyone's new ideas on how the P&C can improve and become a better part of our school community.

Our P&C is committed to working with the school and community to help fund school events as well as contributing towards school programs, student awards and facility upgrades and we could not do this without help from you amazing parents so please think about donating your time to help! **Our next meeting will be help on June 10 at 3:15pm in the Year 1&2 area and we would love to see you there.**

2019 DDHS P&C Association

A big thank you must also go out to those taking up office positions within the P&C this year, thank you for stepping up to help the P&C continue to grow, develop and assist. This year's executive team are:

- | | |
|--------------------------|---------------------|
| President: | Miranda Harrison |
| Vice President: | Jodi Thomas |
| Treasurer: | Michaela Raccanello |
| Secretary: | Jessica Mongan |
| Canteen Coordinator: | Joelle Harcourt |
| Uniforms Coordinator: | Belinda Watson |
| Fundraising Coordinator: | Kiri Errey |
| Board Representative: | Karen Martella |

Events

Our annual cake stall has had a change of location this year, with Election Day coming up on May 18, the P&C will be holding an Election Day Cake Stall! We are still looking for some amazing volunteers to bake some goodies and help us man the stall on the day. **If you are able to help in any way, please contact Kiri on 0402 599 451.**

The P&C is proud to support the Walk Safely to School Day that is being held on Friday 31 May, by providing a free breakfast to all families on arrival. The school has sent out forms asking how many family members will be arriving for breakfast so that we can make sure we have enough food for everyone on the morning. If you could please get these in before Friday 17 May, it would be greatly appreciated. **We are also looking for some amazing**

volunteers to help cook and wrap from 7am-9am, if you are able to help or can donate some fruit for the morning please contact Jess on 0438 843 925. Thank you!

Canteen

Run out of bread over the weekend, kids eaten all the school snacks? **Great news, our canteen is now open Mondays!!!** Those wishing to order online need to use www.quickcliq.com.au and orders can also be placed in the classrooms in the Mead Street campus or through the canteen at recess time in the Bentley Street campus. If anyone is able to donate fruit to the canteen it would be greatly appreciated. Our growing school children love to enjoy fresh fruit if they are still hungry after eating all their lunches and we love being able to provide this for them free of charge due to everyone's fantastic fruit donations.

The canteen is open every Monday & Wednesday-Friday and we are always looking for volunteers to help out for an hour or two. Come help make some lunches for our students with some great conversations and have a lunch and a coffee on us - we would love to see you! If you would like to come help, please give the canteen a ring on 0466 873 758.

Uniforms

Our uniform ordering system has changed slightly, we now open a uniform shop every Monday from 8:30-9:30am at the Senior Campus and every Thursday from 2:30-3:30pm at the Junior Campus. If you would like to order any uniforms between these times you can pick up an order form from either the Junior or Senior Campus Offices.

We still have some amazing specials on some discontinued stock in our Junior campus. If anyone is interested in the below specials, they can be purchased from our Uniform Shop.

**Rugby Jumper:
Surf Shirt (Long sleeve):
Knit Shorts**

**Current price: \$30
Current price: \$22
Current price: \$22**
